

# Richard Phong

281-777-6437 | rphong2@cougernet.uh.edu | Sugar Land, Tx

---

## **Education**

### **Dulles High School**

Sugar Land GPA: Weighted: 4.33 / Unweighted: 3.72 SAT: 1430

### **University of Houston - Freshman C/O 2025**

Computer engineering major

---

## **Leadership**

### **SciNow**

Supervisor/Leader 2017-Present

- Taught elementary kids advanced sciences through interactive lectures, experiments, and activities.
  - Brought in volunteer speakers to introduce science through geographical experts and former NASA scientists.
- 

## **Honors/Awards**

- National AP Scholar (2020)
  - Academic Excellence Award (2018-2020)
- 

## **Community Service**

- Organized various processes such as grading/proctoring at locally held coding/math competitions (2018-2020).
  - Supervised after-school events at Barrington Place elementary (2018-2020).
  - Entertained the elderly at Oyster Creek Manor with activities/conversation (2018-2019).
- 

## **Extracurriculars**

- Mu Alpha Theta member (2019-2021)
  - National Science Honor Society member (2019-2021)
  - Computer science club member (2018-2021)
- 

## **Interests**

### **Computer Science**

- Completed Coursera course "Algorithms, Theory, and Machines" from Princeton University
- Experience at coding competitions at local high schools

### **Software Engineering**

- Minor experience with personal programs such as simple games like snake/pong
- 

## **Hobbies**

- Volleyball, Origami, Coding Projects
